

PINNACLE-TOWERS

CIRCULAR NO. 005/2026

Date: 16 July 2026

Subject: Enhanced Security Measures

Dear Valued Tenants,

In light of the recent reports of increased insecurity in the surrounding area, Pinnacle-Towers Management has implemented additional security measures to safeguard all residents and visitors.

The following measures will take effect immediately:

- Security personnel will conduct increased patrols during the day and night.
- All visitors must be registered at the security desk before entering the premises.
- Residents are requested not to admit unknown persons into the building.
- Ensure that apartment doors, windows, and vehicles are securely locked at all times.
- Report any suspicious individuals or activities immediately to the security team or management office.
- Residents returning late are encouraged to remain vigilant and, where possible, use well-lit entrances.

These measures are intended to enhance the safety and security of everyone living at Pinnacle-Towers. We kindly request your full cooperation and vigilance as we work together to maintain a secure living environment.

For any security concerns or emergencies, please contact the Management Office or the on-duty security personnel immediately.

Thank you for your understanding and cooperation.
